REACH! Children's Chorus

On the SAANICH PENINSULA

With an award-winning Director, children 7-12 years develop outstanding vocal and performance skills, gain confidence and new friends, and have fun in the process.

They also make a positive difference in the community, performing uplifting songs for special events and shows including Earth Day and Human Solidarity Day.

DATES, LOCATION & OPEN HOUSE: Weekly rehearsals are on Thursdays, 4:30-5:15 p.m. starting this term on September 14th. These are held in the gymnasium at McTavish Academy of Art, 1720 McTavish Rd., North Saanich. If you'd like to come and check out a rehearsal, we are having **OPEN HOUSE** sessions on Thursday, September 14th and 21st (4:30 p.m.). Please let us know in advance if you're coming by phoning 250-882-4339. If you'd like to register for the program you can complete a Registration Form while there, or request one by email at: westcoastreach@gmail.com

MEMBERSHIP AND COMMITMENT: There are no auditions for the Chorus, and no previous performing experience is necessary. Membership in the Chorus is kept reasonable thanks to grants and donations. Membership options are \$100 per term (two per year) or \$150 for the school year. As an organization promoting inclusion however, no child is excluded if unable to pay these amounts. More information about this is on the Registration Form. **PLEASE NOTE:** As the members rehearse and perform together as a team, regular participation in weekly rehearsals and in the performances is essential.

WHO WE ARE: REACH! Children's Chorus is a program of West Coast Reach Association, a registered non-profit organization and charity celebrating diversity and inclusion, and utilizing the performing arts for social good.

PROGRAM DIRECTOR: Originally from the Caribbean and trained at the Royal Academy of Music in England, **Anne-Marie Brimacombe** is an award-winning singer, music teacher, choral director and show producer. Her husband, Peter, also provides many of the musical accompaniments for the group. More detailed bios can be found on our website.
